SUMMER DAY CAMP HORSES, HORSES, HORSES!

Ride in beautifully laid-out arenas and on the manicured trails of **King Oak Farm**. Classes are designed for boys and girls, age 8 to 17. Other classes are available throughout the year just ask!

Whether a complete beginner or polished show rider, we can help you advance your education of horses and your riding skills! Our school horses are trained for people to learn on - or call to find out if we can accommodate your horse for the session. **Only 10 students per session will be accepted, so reserve your space early!**

Classes will run from 9:30 am to noon. More intensive summer sessions will be available with 2 riding sessions per day, from 9:30 am to 3:00 pm. Choose 1/2 day sessions or a full day session for a challenge! Riders will spend the early hours in the saddle learning about basic equitation, combined training and dressage. After a light snack, the remaining time will be spent in un-mounted instruction. With our large indoor arena, let it rain or shine--students can ride indoors in inclement weather. At the end of the full week sessions, we have a student competition for beginners, intermediate and advanced riders.

Advanced riders: School the extensive cross country course at King Oak - updated design and fences for 2009! Polish your skills and prepare for the season's competitions.

Proper attire: Every student should wear close fitting pants (i.e., jeans), riding breeches if possible, and a hard-soled shoe with a heel. Each student will be required to wear a well fitting riding helmet. We have a limited number of helmets for students to borrow.

Come visits us! Call Fran at (413) 527-4454 or (413) 527-7834 for more information and to arrange a visit with our horses before camp starts!
